24 commentator answers listener's questions, by anatoliy gan
 replies to question from d.a. fisher of manchester who asks why
 have arms limitation talks in geneva come to such a standstill?,
 gan recapps u.s. approach to disarm and its pressure on western
 allys aimed at persuading them to following washington's militarist
 path, citing tory party decision re deployment of u.s. missiles
 on british territory and growing worldwide antiwar movement and
 washington's inflexibaility re disarm negotiations in contrast to
 ussr and other socialist countries positive peace proposals as yet
 met with negative response from western govts. (enguk 1900)
